NINETEEN HIGH SCHOOL BANDS HERE FOR BAND DAY; HILLTOPPERS AFTER FOURTH WIN OF SEASON AGAINST TENNESSEE TECH

Nineteen high school bands from throughout southern Kentucky with some 1040 youthful musicians are on hand today to take part in the Band Day parade and halftime ceremonies. Band Day is annually one of the most colorful occasions of the season. The Hilltoppers go into today's game against the powerful Tennessee Tech Golden Eagles sporting a record of three wins and one loss. The lone defeat (26-7) was suffered at the hands of Middle Tennessee, defending champions of the Ohio Valley Conference. Today's game is the Hilltoppers' second encounter with an OVC foe this season.

HIGH SCHOOL BANDS HERE TODAY

Last Saturday night the Hilltoppers got a taste of what may be in store today when a fired-up band of Youngstown University Penguins were turned back 9-6 in the final quarter. The Penguins dominated the game until the final eleven minutes when the Hilltoppers called on Carroll VanHooser's passing arm and the trusty toe of Jerry Brantley to finally go on top. A few minutes later the hard-charging Hilltopper line accounted for two more points when a Penguin runner was smashed under behind the Youngstown goal for a safety.

The Hilltoppers have beaten Southeast Missouri, 25-20, and East Tennessee, 10-6. Jerry Brantley leads the Western scoring with 13 points. The speedy end has caught the only touchdown pass thrown by Carroll VanHooser, kicked successfully all four of the extra points he has tried and has a field goal to his credit.

Two weeks ago Tennessee Tech stopped Youngstown, 12-6, which on the basis of comparative scores makes today's clash about a toss-up. The Golden Eagles didn't have the problem of trying to cope with the Homecoming spirit which kept the Penguins fired-up from start to finish against the Hilltoppers. In addition, the Penguins' Dave Kimmel, one of the nation's top ground gainers, was smarting from the beating he took at the hands of the Hilltoppers last year when he could

get only 23 yards in 14 tries. He went into the game sporting an average of better than 100 yards per game. This time Kimmel was averaging better than 12 yards a carry and was anxious to wipe out last season's memory. The slippery back got 57 yards in 19 carries as the Hilltoppers again stopped Kimmel far short of his game average.

More than anything else, a KitchenAid dishwasher brings you the precious gift of *time*. You have time to be a part of things—family fun and friends-after-the-game—secure in the knowledge that all's well in the kitchen.

Indeed, your dishes could not be in better care. Your KitchenAid is produced by Hobart—another way of saying it's *the finest made*. You'll see the evidence everywhere you turn: The new Timed Spray Cycle that "warms up" tableware and dishwasher interior, clears plumbing lines of cold water before the wash action starts. The easy-rolling, cushion-coated racks that take the guess out of loading. The revolving power wash system that leaves your

tableware *hospital-clean*. The separate blower that dries even fine crystal to perfection.

Yet—wonder of convenience—Hobart has contrived to work all these features into the *standard cabinet width*; you don't give up space you sorely need. By all means, see the new KitchenAid by Hobart. You'll find just the model to go with your kitchen, as surely as it goes with your way of life. And see the new food preparer and the electric coffee mill—they're KitchenAid, too!

See the new KitchenAid! Write The Hobart Manufacturing Co., KitchenAid Home Dishwasher Division, Dept. CFP, Troy, Ohio. In Canada: 175 George Street, Toronto, 2.

GO! TOPPERS GO!

Six cheerleaders for the 1957-58 school year were elected by the student body in chapel on October 2. Twenty-one candidates appeared on the program. The six winners are pictured above. They are from left to right — Sandra Harrah, a freshman from Bowling Green; Janice Doyle, a freshman from Cave City; Margaret Moncrief, a freshman from Elizabethtown; Phyllis Robinson, a junior from Hazard; Rachel Chadwick, a sophomore from Hopkinsville; and Alice Chumbley, a freshman from Jamestown.

All six of the cheerleaders have had extensive experience. Phyllis Robinson has served as a Hill-topper cheerleader for the past two years.

The ballot system was used this year to elect the cheerleaders. Each of the candidates' names appeared on a printed ballot which was distributed to each person attending the chapel program. Each person could vote for six of the candidates. The candidates were introduced by Dr. Ward Sumpter, faculty advisor for the cheerleaders, and each led a yell.

The ballots were counted by Dr. Sumpter and the members of last year's President's Student Advisory Council, Betty Spradlyn, Jim Owens, and Tom Emberton, and Charles Keown, Dean of Students.

The new ballot system of election for the cheerleaders was recommended by the President's Student Advisory Council last year.
